Subject: Triple Site website update

Hi Angie,

Attached were my draft finals for updates to the Triple Site website:
<https://cumulis.epa.gov/supercpad/cursites/csitinfo.cfm?id=0900265>. We can add to the list of to dos.
Some of the website update info may be useful for updating the Triple Site Fact Sheet (last updated 2016, so that needs to be updated soon as well).

Thank you,
Michael
